Dear Mr. Marwell, I am hoping you will respond to a letter I e-mailed you a couple of weeks ago. There are several Canadian documents at the National Archives in Ottawa that need to be declassified. So far, I have received a number of RCMP documents in this file that are censored. They deal with a number of different aspects of the assassination. Names and addresses that have been deleted from the file. The archives tell me informally that any official request for the file will result in the same deletions. Would you think that the Review Board would be interested in helping me gain access to this file. Further details will follow once I have heard back from you. Regards, Rick Nelson Wellington, Ontario Canada
