There is no indication that a copy was made for the HSCA.Second, an FBI document in the JFK Collection, with file number 124-10078-10312, appears to be the same FBI document in the HSCA Collection with a redaction about which you asked. The FBI Record Information Form indicates that the document is Open in Full. The document can be requested from the National Archives at College Park, Maryland. I do not have a copy of this document here at the Review Board offices. Otherwise, I would send you a copy.Questions about requesting documents can be directed to the JFK Collection staff at the National Archives. The telephone number is (301) 713-6620.Thank you for your interest in the work of the Review Board.Sincerely,Thomas E. Samoluk, Esq.Associate Director for Communications
