**Subject:** Budget Justification Narrative (HARD COPY IN YOUR "IN" BOX/ON YOUR DESK)  
Attached for your review and comments is a revamped version of the one page narrative part of the budget justification. I tried to update it by:1. using some language to indicate that we are in the middle of this enormous effort2. putting in a sentence about our having released documents and the agencies releasing documents as a result of guidance provided by the Board3. giving more descriptive language about the staff4. Expanding our "constituency," by referring to the "American public" and "citizens," and not just the "research community" One thing I did not do is make any reference to a surplus. We can revisit that issue.If Tracy's numbers are in good shape, and the narrative is finalized, maybe David and I could drop our "package" off on Friday.Please advise.
