Description of the Call Date: 03/18/96Subject: 1st Response From Laney McDonald Of Time/Life Re: George Karas' and Herb Orth's Review Of ORSK Zapruder FilmSummary of the Call:I spoke with Time/Life Library Director McDonald today and she apologized for the delay in responding to the Review Board's request. She did receive my package from January through Schleslinger of their Archives and understands the nature of the Review Board as well as my request.McDonald will take the Board's request along with any Zapruder material in their folders and discuss it with their chief counsel in order to make it available. She believes their should not be a problem with making the information available to the public because most of it is known already. I explained that I would be interested in any records of analysis, transfer, purchase and any other related paperwork. I also asked for any information re: the work of either Karas, Orth or Owens on the ORSK film at Archives II during the 1970s. \* McDonald will immediately work on my request.McDonald's information is:Laney McDonald, DirectorTime/Life LibraryTime Inc.1271 Avenue of the AmericasNew York, NY 10020212-522-9233
