 .LF.DS LIMAICH 20, 1990 Thomas E. Samoluk, Esq. Assassination Records Review Board 0000 L Street NW, Second Floor Washington, DC 20530 Dear Thomas Samoluk, In your letter of February 28, you encouraged me to submit a tentative list of documents which appear to have been postponed in part for the same reasons as MEXI 7029, the cable whose postponement you reconsidered after receipt of my letter of 11/7/95. The following documents were all initially released at the same time as MEXI 7029. They appear to deal with the same issue, namely LIENVOY intercepts and the access to them of the D.F.S., on which the Board lifted a postponement previously granted. Herewith an initial list on the basis of the information available to me. I have no way of verifying if my list is complete, or if my assumptions are correct in every case, as I think they clearly are in some: NARA Document #104-10095-10001, pp. 1,2,4 (PS #62-194, 195, 197): Breckinridge Memo for the Record, 12/3/76: Postponement # 1 ("sources and methods") Postponement # 6 ("sources and methods") Postponement # 7 ("sources and methods") Postponement # 8 ("sources and methods") Postponement # 9 ("sources and methods") Postponement # 10 ("sources and methods") Postponement # 11 ("sources and methods") Postponement # 13 ("sources and methods") Postponement # 14 ("sources and methods") Postponement # 19 ("sources and methods") NARA #104-10015-10188, (FOIA #176-619; PS #62-116): CIA HQ Cable DIR 85245 of 11/27/63: Postponement # 1 ("sources and methods") Postponement # 2 ("sources and methods") Postponement # 3 ("sources and methods") Postponement # 4 ("sources and methods") Postponement # 5 ("sources and methods") Postponement # 6 ("sources and methods") NARA 104-10015-10070 (FOIA #74-555; PS #62-72): MEXI 7041 of 11/24/63: Postponement # 1 ("sources and methods") Postponement # 2 ("sources and methods") NARA 104-10015-10359 (XAAZ 35907, FOIA #130-592; PS # 62-137): Summary on Oswald 11/24/63: Postponement # 1 ("sources and methods") Postponement # 2 ("sources and methods") NARA 104-10004-10199 (PS #62-9): GPFLOOR Memo ca. 12/13/63 (by Scelso?): Postponement # 3 ("sources and methods") Postponement # 4 ("sources and methods") Postponement # 5 ("sources and methods") Postponement # 6 ("sources and methods") NARA 104-10018-10040 (XAAZ-17598, FOIA #367-726; PS #62-142): Summary of Oswald Case 12/10/63: Postponement # 1 ("sources and methods") Postponement # 2 ("sources and methods") Postponement # 3 ("sources and methods") Postponement # 4 ("sources and methods") I have other documents I wish to bring to your attention, but this list is overdue. To enlarge on I said in my letter of February 25, the DFS involvement in drug-trafficking from Durango to Chicago (a drug connection about which Jack Ruby was questioned in 1947), and their possible involvement with Chicago mob figure Richard Cain, place the LIENVOY-DFS connection at the very heart of the case. (For the details of this
