**Subject:** Information Provided By Researcher on Chicago Police Files

While in Chicago, a researcher named Andy Kolis, (708)562-0842, ( who said he previously had contact with Jeremy) gave me some information on Chicago Police files which are potentially relevant to the assassination. His attached handwritten note explains what he found out. The second attachment, also provided by Kolis, is the court order relative to certain Chicago police files, which the Chicago City Corporate Counsel gave to Kolis' friend (a Chicago City Council member) in response to their inquiry about the files.I also attached the last two memos from Anne Buttimer on the Chicago police files that I could find.Please advise me if you want to discuss this matter and the further pursuit of the records.
