Subject: Patrick Dean polygraph - Jeremy's response to my e-mail
FYI. I believe I copied you on Jeremy's e-mail to me earlier this week, and my response, re: Patrick Dean's polygraph. Subsequently, Jeremy orally suggested that the Dallas Project might want to contact Dallas PD to make sure they haven't come up with the polygraph results, even though they told the HSCA that it had presumably been destroyed. Jeremy said to run it by you as it was your call. You may or may not wish to speak with him about it.
