CALL REPORT Issue # 9Who initiated the call? Review Board's representative in the call: Dave MontagueDescription of the Call Date: 04/16/96Subject: Questions Re: Audio/Visual Material Within FBI Bulky Files At NARASummary of the Call: I spoke with Steve Tilley today and he informed me that all material with film or sound for box 102A (the box with Alyea references) was sent to the Motion Picture, Sound and Video Branch of NARA on 03/18/96. The material is being copied into a usable format for researchers and their original will remain within the Motion Picture Branch. A copy will be returned to Tilley's area. Other boxes will undergo this process as Tilley's area is able to devote the time. Les Waffin is the point of contact re: any audio/visual material within box 102A. I will contact him to arrange a viewing and assess its quality.
