Subject: COPA Conference in October 1996

John Judge informed me on the phone today that the COPA Conference this year is from Friday, October 18 through Sunday, October 20. He was wondering if there was any possibility of the Board having a public meeting during the time that the conference is going on. The possibilities would be either Friday or Sunday. I told him that the Board would be in town earlier in the week on October 15 and 16th, but I would inquire if there was any possibility of accommodating him. Please consider this memo that promised inquiry. I told John that he could expect the same cooperation with regard to our presentation and luncheon participation that they received last year. He appreciates that offer. As always, John was a gentleman and apologized for not giving us the dates for the COPA conference earlier.
