I called to speak with the woman who helped us out the last time. No one seemed to know who she was, and I was finally directed to the back copies department (charge \$5.00 for daily back issue, \$6.50 for Sunday.)I then checked my file on her and called the number she had handwritten in her cover letter (enclosed with the paper she sent us.) I left a message.When I asked for the tear sheet desk, they asked me if it was for "classified or retail"; I told them it was not for an ad, but for an article. We'll see if anyone calls back. I'm starting to think I was directed to the wrong place the first time (about a month ago) and this woman Mary was just being nice.
