CDTSubject: -No Subject-Begin forwarded message: David: As we discussed, I'm game for some document review on Mnoday. I'm taking the morning Metroliner on Monday, arriving @ 9:05 a.m., and I have the 5:00 p.m. Metroliner on Tuesday. Have a safe/pleasant journey to Berlin and back to us... --BillTo: INTERNET-BOARD <INTERNET-BOARD@notes.worldcom.com>From: David Marwell <David_Marwell@jfk-arb.gov>Date: 6 May 96 17:26:49 Subject: -No Subject-Mime-Version: 1.0Content-Type: Text/PlainWith the exception of Bill, no member of the board has reviewed records since the last Board meeting. A review of the database indicates the following numbers for unreviewed records listed by Board member: HG -> 226KH -> 154WJ -> 46AN -> 131JT -> 316This number will increase as new records are assigned to boxes in the next few days.51 records have been marked for discussion by one or more Board members, and there are a small number of records that have been designated for discussion by team leaders. Even though the Board expressed at the last meeting its desire to reserve Board meeting for "briefings and decisions," I would suggest that one day of the upcoming meeting be dedicated to individual review. Please let me know your thoughts.
