Subject: Telephone Call from Michelle Merdeza
Merdeza called David and I returned the call to 225-5834. She had answered her question about the FY 95 carry over money, but had questions about the personnel compensation totals and on the final report issuance. She does not see a problem with the Chair's mark-up bill in mid-June, but some members may oppose our budget. She suggested courtesy calls by end of May to subcommittee members. David called her back and answered her questions.
