Subject: Follow-up call in order to interview Cameraman David Wiegman, Jr.
CALL REPORT Issue # 9Who initiated the call? Review Board's representative in the call: Dave MontagueDescription of the Call Date: 06/07/96Subject: Follow-up call in order to interview Cameraman David Wiegman, Jr.Summary of the Call: I last spoke with him in late April & due to his being bothered by researchers over the last 32 years, he requested I send literature (on official letterhead) about the Review Board before discussing anything. He confirmed he is the same Wiegman who worked for NBC at the time of the assassination and made film footage. He wanted our requests "spelled out" so he can decide what he wants to do. I gave a very generic explanation about the Review Board and sent a packet under David Marwell's signature. I called today to follow-up & to conduct an in-depth interview. I left word that he could call me collect. David Wiegman, Jr. 458 Canterbury Road Milford, DE 19963 302-422-0918
