Subject: Resignation

For those of you who do not already know, I have given my two weeks notice and my last day will be July 15, 1996. I wanted to take a minute to convey my feelings today because my last few days here will be very hectic with the Board meeting and the Federal Register. I would like to tell you all how much I have enjoyed working with you. I would also like to thank you for being so supportive of me and wishing me well when I notified you of my resignation. As a staff you have been a joy to work with over the past year. I can honestly say that I have never felt as if I worked for any one individual on the R&A staff. I will leave the ARRB having always felt that I worked as a part of the R&A staff and not for the R&A staff and that is an important distinction. Additionally, I have never had a supervisor I respected more or who respected me more as a coworker than you, Jeremy and Chet, I thank you for teaching me so much about computers and Lotus Notes. To the Board specifically, it was a pleasure to have met and worked with each of you. I wish you the best in your work and will be watching the media for information on your work. I wish you all a wonderful summer!
