Subject: Richard Reeves

I have learned that Richard Reeves lives in Los Angeles. He may be someone we would want to invite to testify at the L.A. hearing. In addition to his book on President Kennedy (which I know does not cover the assassination), Reeves has debated Oliver Stone on the assassination. Perhaps this is an indication that he has enough interest in our work to testify. My question: do any of you know Reeves and/or do you have any suggestions about the best way to contact him? Any thoughts would be appreciated. Please advise. Thank you.
