**Subject:** Rankin  
I spoke with Steve this morning, telling him that I had spoken with James Rankin on Friday. I told Steve that Rankin, pending discussion with his siblings, is prepared to give Warren Commission records to the Archives and the remainder of his materials to the University of Nebraska (which his father attended). Rankin asked me to come spend half a day going through materials with him, which I agreed to do. I urged him to make a token donation at the Board's LA hearing, which could be followed by a complete donation (of WC records) when we sort through materials.
