**Subject:** Joe's Suggestion on Time-Life Archives

Following Joe's review of papers in Tennessee, he got to thinking about the larger possibilities in the Time-Life archives. His idea, and I think it is a good one, is to see if we can make an appeal at a high level at Time-Life to see if they would be interested in making their materials part of the JFK Collection. Perhaps Henry is the appropriate person to get things moving on this front. I think Henry would relish the "assignment."
