Subject: miscellaneous FYI

1. Robert Zani, the man who is petitioning to provide testimony to the Board, has sent two additional letters which were received today. There was nothing new in them, and I filed them.2. Martin Shackelford is waiting on a video copy of the Dallas hearing. Is there anything I can do?3. The FBI documents are here and should be ready tomorrow or Wednesday for transfer to the Archives. Laura and Kevin need to match the cover sheets with the documents.4. The room (206) is set up for tomorrow's open meeting. If you'd like to check it out and make any changes, let me know.
