**Subject:** Oliver Stone  
I would like to talk with you about Stone and the LA hearing. It looks good, although there is a small chance he will be out of town. I may even have a chance to meet with him on my advance trip to LA. At a minimum, I should be able to meet with his assistant, Eric Hamburg, who is already working on Stone's testimony. There is one aspect of Stone's testimony about which I'd like to chat.
