**Subject:** Re: Interview with Autopsy Pathologists

Mr. Samoluk, Thank you for your eloquent and informative reply. I agree that the Board has shown a lot of courage and determination in pursuing and investigating the medical evidence. I am also pleased to hear about the thorough preparation of the staffers who interviewed the autopsy doctors. They deserve our thanks and congratulations for their work. Additionally, it is nice to know that you believe the depositions of the autopsy doctors probably will be released at the end of the year, but if nothing else that they will be released when the Board completes its work in this area. I will see to it that Mr. Nurko et al receive a copy of your reply to me. Thank you again for your prompt and informative response. Sincerely, Mike Griffith -----
