Subject: Brilab material ready to review at FBI

Judy Bowen called today to pass on this piece of news. I told her that Laura and/or I will be by tomorrow (Friday) to move (at least some of) the stuff to our workspace at the Bureau and commence review. She also mentioned something that you, Laura, may already know -- the docket number for the D.C. Title III application is "Miscellaneous 79-0105." Judy says that, if we specify "Miscellaneous," we'll get the right case file.
