I had tried calling you last week but as the phone call was going through something urgent came up in the office. I hung up and, frankly, forgot to get back to you that day. You were on the top of my "to do" list for today.The format sounds fine. Yes, I would appreciate receiving a packet of materials, and in addition (unless the packet contains this) some biographical info. on each person I will be introducing. I'll call you later in the week to discuss this further, but think it best that I look over the materials first. Looking forward to seeing you in San Diego . . .To: "William L.  CDTSUBJECT: Session in San DiegoBegin forwarded message: David: Many thanks. Edie's phone # is 202-357-3080, her fax # is 202-357-2395. I believe the Smithsonian Archives is in the Castle, or at least it was some years ago when Rich Lytle and then Bill Moss were the archivist there. Her home address (listed in the SAA Directory) is: 1510 North Edison St., Arlington, VA. 22205. When would be a good time to telephone you? I have to leave work this afternoon around 4:30 or so, but would like very much to talk to you. --Bill To: "William L.
