Subject: Videotaping of LA Hearing

Have you had any discussions with your Board of Education contact regarding videotaping our LA hearing? They may have the capabilities since it seems that their hearing room is full service. If not, maybe the contact can suggest a local video company like we had in Dallas and New Orleans. Please advise me of your thoughts. P.S. Meanwhile, I will try to find out if there is a local PBS station that is interested in covering the hearing in full, which would obviate the need for separate video arrangements because we could get a copy of it.
