Subject: Kodak Visit to ARRB
CALL REPORT: PUBLICDocument's Author: Douglas Horne/ARRB Date Created: 08/19/96 The Players
Description of the Call Date: 08/19/96Subject: Kodak Visit to ARRBSummary of the Call:Mary Ferraro (716-477-3447) called today on behalf of Mr. Milch (Head of the Kodak Laboratory in Rochester) to solidify travel arrangement s for the Kodak 2-man team visit to ARRB. The 2-man team will be Mr. Milch and an 8 mm film expert called out of retirement for this occasion. After consulting with David Marwell, I called her back and we jointly agreed on the following:-Kodak will fund this trip out of its own pocket;-the Kodak team will fly into National Airport the evening of September 10;-they will stay at either the J. W. Marriott or the Grand Marriott (reasonably close to ARRB);-a 9:30 meeting was scheduled for September 11 at ARRB--ARRB will host a working session, followed by lunch with our guests;-a potential 2:00 or 2:30 visit to Archives II (for a possible first-cut, cursory examination of the original Zapruder film) was also agreed to;-the Kodak team will probably plan for a 6:00 P.M. departure from National Airport that same day (Sept. 11);-If we do not hear back from them, we should assume that everything is in "automatic" mode and should expect to see them at 9:30 sharp on September 11th.
