**Subject:** Other Hotel Suggestions

Jim DiEugenio suggested a couple of hotels near our LA hearing. He named the following: The Bonaventure hotel in The Mark Taper complex. He did not know the name of the hotel (it apparently is not Taper), but it is in this large complex that includes office, retail shops and the hotel. Maybe your Board of Education contact knows what hotel this is. One last point, David did not think it was critical that we get a hotel right near the hearing room, if we sacrifice quality to get in the area. On additional point, I got my ticket out of your office.
