**Subject:** Society of American Archivists Conference in San Diego

Begin forwarded message: Tom: If I had to guess, I'd think closer to 25 than 50 (interested people could always sign up and have packets mailed to them ...). I think that we might arrange a lunch before the session, so folks can meet and discuss the afternoon's format, etc. By means of a copy of this, I shall ask Edie Hedlin, session chair and Smithsonian Archivist, Kermit, and Jack to join us. Why don't we meet @ the hotel registration area @ 11:45? Looking forward to seeing you there, --Bill To: "William L. I know this is always difficult to guess, but is 25 a safe number or do we need 50 packets?Any thoughts would be appreciated.Thanks and see you n San Diego.Thanks.Tom
