**Subject:** Re: C-SPAN Negative Response on Coverage of L.A. Hearing

Tom, thanks. I talked with Lamb when I got back from Spain and by then the decision had been made. The line seems to be that nothing much is happening and that the list of potential witnesses was uninteresting. Even Lamb, it seems, is looking for news! Thanks for your good efforts. See you in LA,

C-SPAN Negative Response on Coverage of L.A. HearingAuthor: Tom Samoluk <Tom\_Samoluk@jfk-arrr.gov>  
at SMTPLINK-HumanitiesDate: 9/10/96 6:16 AMKermit: I wanted you to know that Alan Speck of C-SPAN  
advised me today that C-SPAN did not plan on covering the L.A. hearing. I asked what the relevant factors  
were for them and he replied that one of the program producers did not think there would be enough interest  
in the hearing. I do not know if Brian Lamb has responded to you or not, but I thought I would let you know  
what I heard from them today. Thanks for helping me give it a shot. We tried. Tom
