Subject:	Confirmation re: Nathan Haseltine of the Washington Post & article about JFK's autopsy
Body:	CALL REPORT Issue # 43Document's Author: Dave Montague/ARRB Date Created: 09/16/96 Who initiated the call? Review Board's representative in the call: Dave MontagueDescription of the Call Subject: Confirmation re: Nathan Haseltine of the Washington Post & article about JFK's autopsyMedical Project I spoke w/ Emily Haseltine who is the wife of the late Nathan S. Haseltine ("Nate") & confirmed he's the same Haseltine who was a reporter with the Washington Post in 1963. Emily was cordial & said during 1963, Nate was the Post's Medical Science Writer. She said Nate died almost 20 years ago & wondered why anyone would be interested in him. I explained the nature of the Review Board & she became more receptive. I asked her if she was familiar w/ the Washington Post article (written by Nate) dated 12/18/1963 & she said: "...I might be able to lay my hands on Nate's old clippings...It would be the article your talking about & any other things...". I also asked about any other documents such as a journal or other document containing research notes used for his articles. Emily does not know if Nate kept such records, but is willing to search. I told her I'd send her some explanatory material & left the door open for ARRB staff to contact her re: any specific questions after she'd had a chance to review this material. I verified her information & thanked her for her time.* I'm forwarding this to our medical team & sending a packet to herEmily's info is:Mrs. Emily Haseltine4916 North 35th StreetArlington, VA 22207703-538-7162Nate's ssn= 194-22-8521
