Subject: Financial Numbers for FY 1996 Report

As I have attempted to return to the realities of the annual report, far from the excitement of Oprah and the Powers film, I was wondering if you had gotten what you need to do the numbers for the FY 96 annual report. Please advise me of the status. I have many other things still to do in other areas of the report, so the numbers are not holding the report up right now, but I was curious about their status. Happy Thanksgiving; maybe sneak in a few movies. I'll see you ... whenever!
