Subject: Best Holiday Party Wishes
... to all of you, old friends and unknown entities alike. Wish I could be there to celebrate with you but, as JFK noted, life is unfair (some people spend the winter in D.C., some in Phoenix, etc, etc.)!Have a wonderful holiday season, one and all!(P.S. I must admit I am bemused by the odd juxtaposition of Brian's oxymoronic ethics training and a holiday party... I see someone's wicked sense of humor at work; I'm just not certain whose: there are so many possible suspects...)
