Subject: question/suggestion from the public

Body: Hi Tom! I hope you had a nice Christmas and that you are preparing for an even better new year. We received a question and subsequent suggestion from Bill Parker regarding Kenny O'Donnell's and Dave Powers' claims, as mentioned in Tip O'Neill's book "Man of the House." In the book Powers and O'Donnell are said to have heard two shots come from behind the fence (the grassy knoll.) O'Donnell was then allegedly asked by the FBI to testify contrary to this account. Jeremy informed me that you had spoken to Powers about this -- any suggestions for a response? What Parker would like us to do is find and depose the FBI agents who told O'Donnell to testify a certain way. thanks a lot. Hope all is well in the AG's office.
