Subject: Annual Report

Jack:Great to talk with you today. After I got home tonight, I noticed in your e-mail that you asked my thoughts on the Annual Report. Based on what the Senate staffers said to us on Friday, I suggested that Jeremy add a section up front with "bullets" on what we had accomplished thus far and what we would do with the additional year. Jeremy added that section today and I think it did the job that the staffers were talking about. I think the rest of the report was good and showed that we have been busy, but have more to do. I'll be in touch.Tom
