**Subject:** Welcome Back

Sorry I missed seeing you while you were back in the office. The flu won out. I just want to say how happy I am about your return to ARRB. I know the valuable talents you brought to the office and I'm excited about working with you as the Board finishes up its work. I hope you don't mind my calling on your help often. I have the feeling of such strength in the people who work here and your return will only make this effort stronger. I know that you'll be working out of Boston most of the time, but don't hesitate to check out your old office for anything you need. You'll find I have disturbed very few of your records, keeping this pristine for posterity. Welcome back. Thom
