Subject: budget justification
I am attaching my draft of an FY98 budget justification. As you'll see, the numbers come to 2.177 million. If we ask for and get 1.6 with our 567,000 carryover, we will have 2.167 million. I have included notes in bold/italics at the end of some of the sections to explain what the numbers are based on. Please feel free to e-mail edits to me and suggestions. Thanks.
