Subject: Boston?

Tom,I expect to be there either March 20-22 or March 27-29 for a campus visit. You'd mentioned lunch last night at The Rock-- are you still up for that? If you have an e-mail address that you access more regularly than this one, pass it along to me and I'll e-mail you when I know exactly when I am going to be there. Otherwise, I will try to give you a call a few days beforehand. See you then.Christopher
