E-Thanks for the fax. I thought Melissa did a good job with the story. Although it did not run in the papers you picked up (it wasn't in the Boston Globe or the Boston Herald either), I'm sure it ran in many other papers, particularly ones toward the western part of the country who put the papers together later. If you noticed, it seems that Melissa did not get it on the wire until late. It would be nice to have one clean news clip that we could put in the info packets, showing something recent happening with the Board. Let me know if we find a paper who ran the story; I'd love a copy. Do we know if Reuters or UPI did anything? Thanks again. Talk to you
