**Subject:** Talk Show

An assassination theorist in Michigan (Dennis Bourland) suggested we contact Mark Scott of WXYT Radio in Detroit about providing a Board member or spokesman for Scott's talk show. I was told that Jim Hosty was on with Scott about two years ago and Scott is very interested in the Kennedy assassination. The information I received is that Scott grilled Hosty on the conspiracy theory, insisting Oswald was the lone gunman. Let me know what you think about this. Local radio talk shows are part of the rough communications plan I have drawn up, but it they are not a priority because of the tendency to be ambushed. Thanks,Thom
