**Subject:** May, Etc.

I got cut off by your machine while leaving a message (but I got most of it on there.)1. The May letter will go out in the last mail pick-up.2. In the event Thom has not reached you, Anita Krichmar, ABC called and is interested in the Hosty story. She is thinking about "World News Tonight" with Peter Jennings. Copies of the notes were faxed to Krichmar, and per her request, to ABC in New York.It appears that for now, that is all she needs, and she will call Thom if there is anything else.
