**Subject:** Update on copying of Russo & Novel material at NARA

I spoke w/Chief David Kepley today...Kepley said he sent a request to their lab & that he is sure they are being copied as a "rush order"...He will check w/his people & find out the status of the copying so we can pick them up. There are 11 references in all, 9 for Perry Raymond Russo & 2 for Gordon Duane Novel.I believe that the same person handling this project for them is also handling the Z-Film project. The Z project has taken up most of this week & Kepley stated he thinks it will probably take some of next week as well.
