Subject: Later this week...
I will definitely be in Boston Thursday the 20th (after 1:00 p.m.), Friday the 21st and Saturday the 22nd until 3:00 p.m.. I am still trying to determine the times I need to be dealing with the people at BU; while I am working on that, is there any particular times that either work or don't work for you to get together, if you're still interested? Let me know what works best for you. Also, I am still trying to find an inexpensive (ha!) hotel to stay in. Do you know any moderately priced ones near BU or the airport? Also, is there a "T" stop at BU?
Body: Thanks, Tom. I look forward to hearing from you. Christopher
