Subject: Re: Location of Gov. Connally's clothing
I would like to pursue this, at least to find out definitively where the clothes are. It be relevant to the ballistics testing, depending on what happens with that project.To: Tom Samoluk/ARRBcc: From: Joseph Freeman/ARRBDate: 03/17/97 03:23:51 PMSubject: Re: Location of Gov. Connally's clothingI don't know anything more than the old e-mail indicated, although I seem to remember having a conversation about the topic with Steve Tilley wherein he confirmed/agreed with the idea that the Governor's clothes must be back in Austin... they certainly aren't at the National Archives!
