**Subject:** Best Wishes

Phil:I was hoping to be in DC for your going away party. Unfortunately, business will not require me to be in town until a later date.I did want to take this opportunity to wish you the best of luck in your new job. It sounds like it will be great. You certainly earned it. In my experience, you are one of the most hard working people with whom I have ever worked. In addition, you always were responsive to my needs and understood what would "sell" and what would not. You gave me some of our "best" documents and I appreciated your cooperation.Again, best wishes on the new job.Tom
