**Subject:** House Government Reform and Oversight Committee History  
Judge:I was sorry to hear that you were not feeling well and I hope that you get better soon. It couldn't be nerves over the Minnesota v. Kentucky game!The purpose of this memo is to seek your help on the history of your contacts with the House Government Reform and Oversight Committee. Congressman Burton's staff was trying to find out who was still around the Committee who knew the history of our authorizing legislation. I know you dealt with Don Goldberg(now at the White House, I understand), but was wondering if there were any Republican Members or staffers who you remembered. David told me that our bill had gone to the Legislation and National Security Subcommittee of the Government Reform and Oversight Committee.
