**Subject:** Veciana

FYI: During my conversation with him, Gaeton Fonzi suggested that we review Veciana's Senate Select Committee on Intelligence testimony prior to questioning him. According to Brian Rosen, we have repeatedly asked the SSCI for this, however, they have yet to comply with our request. I am not sure what Veciana said in his testimony, but I believe that he was asked about assassination plots against Castro. Otherwise, I don't think that what he said to the SSCI would be all that different from what he told the HSCA.
