Subject: MSNBC coverage of the hearing
We will have a copy on Monday. We initially were to receive a copy today by messenger, but I was just informed that local broadcasting was cut in to that story (which MSNBC does from time to time.) VMS needs to obtain a complete, uninterrupted copy of the story elsewhere and will FedEx it today for Monday delivery. This entire piece is a little over 8 min. long. Most other coverage on the VMS hit list was less than one minute.
