**Subject:** Byrne Personal Collection  
Megan Desnoyers has promised to get me an address and phone number for him. I will let you know as soon as she calls. Megan's impression was that the collection is closed because he was planning to write a book. She thought he might allow the Board to examine the collection even if he is not willing to open it to the public.  
**Body:** She had no problem with our contacting him.
