Subject: Sen. Lautenberg's office

A woman named Rebecca from his office just called. She said that they had received a few letters in support of additional funding for us. She wanted to know what agency we're funded through. So, I explained that we are in independent agency and which appropriation subcommittees we deal with. I gave her a brief background on the extension and who we have been dealing with on the Senate side as well as OMBs stand on it. I then referred her to Tom for more info. She thought what I had told her was enough for now. Tom, you may want to make contact with her anyway since the office had no idea who we were. She sounded very young, it may be another one of those intern calls that we got before from another office.
