Subject: Conversation with Schaffner
I called Schaffner and told him that the edits to the draft Burton floor statement were fine. He thinks the bill could be dropped next week. After Burton has reviewed the floor statement, the staff will initiate contact with Stokes' office to get him to be a cosponsor. Schaffner told me that he would also raise with Moll the idea of reaching out to our Appropriations Subcommittee. From everything that Schaffner has said, Burton wants to pass a separate authorization bill for us. It remains to be seen if Mrdeza trumps that idea with authorization language in the appropriations bill that moves faster than the Burton bill.
