**Subject:** doj badge

**Body:** Do you still have your DOJ badge or did we turn it in? If we turned it in, do you want another one? They are about 1 month away from a card reader on our stairwell door. Once that is installed if you have a DOJ badge you can come up the stairs instead of waiting for the elevator. As you know, it can also access the showers downstairs. Let me know and if we need to, we can set you up for an appointment next time you're here.
