**Subject:** Conversation with Gary Aguillar Regarding Dr. Perry  
Dr. Gary Aguillar will be calling you regarding what he claims is evidence that Dr. Perry was pressured to change his statements relative to the wound in the President's throat. Aguillar told me on the telephone that he has spoken with a former colleague of Perry's who claims Perry was saying something very different about the throat wound in private.I told Aguillar he should call you (I'm not sure why he called me in the first place). He said that he will also send you a tape of his conversation with Perry's former colleague with whom Gary spoke.
